Dear Hiring Manager,

I am excited to introduce myself as a mature Hispanic model eager to bring diversity, elegance, and authenticity to the fashion industry. Recently retired from my role as a university professor, I am now embracing a lifelong passion for artistic expression and representation. My background has equipped me with strong communication skills, confidence, and the ability to connect with diverse audiences—qualities that translate seamlessly into the world of modeling.

Throughout my career, I have mastered the art of presentation, whether through engaging lectures or embodying different personas to inspire and educate. I believe these skills, combined with my professionalism, adaptability, and keen understanding of visual storytelling, make me a strong candidate for representation. More importantly, I aim to be a voice for my community, demonstrating that beauty, style, and confidence know no age.

I would love the opportunity to collaborate with your agency and contribute to innovative projects that celebrate individuality and diversity. I am available immediately and would be delighted to discuss how I can be an asset to your team.

Please feel free to contact me at 619-254-6916 or yj48cm@gmail.com at your convenience. Thank you for your time and consideration—I look forward to the possibility of working together.

Best regards,
Juan Nava
